

Artistic Section

A standard schedule applies. The full schedule will be used at the London and Malvern shows only. Artistic Sections at other Shows **DO NOT** use those Classes marked '(London & Malvern only)'. In 2013, Summer South will have the Intermediate Section Photography only; classes 238 and 239 only appear there. **Dublin and Ulster will not include class 216.**

Members may stage their own exhibits at the same time as plant staging, or send them by post. Unless otherwise specified, the Show Secretary should be notified of entries two weeks before the Show. Entries after this date may be accepted at the discretion of the Show Secretary, and subject to space constraints. Postal entries must be sent at least one week before the Show and **sufficient postage for the return of the exhibit should be included.**

See the additional notes at the top of page 19.

| PHOTOGRAPHS | |
|--|---|
| OPEN SECTION | Open to all Members. (Not at Summer South) |
| CLASS | |
| 200 6 colour photographs of 2 alpine plants, distinct, taken in the wild illustrating: (a) the plant in its habitat; (b) portrait of the plant; (c) the flower. (London & Malvern only) | 207 3 colour photographs of alpine plants, distinct, in pots or containers, showing the characteristic habit of the plant in cultivation |
| 201 3 colour photographs of an alpine plant, as Class 200 | 208 1 colour photograph – as Class 207 |
| 202 6 colour photographs of alpine plants, distinct, showing the characteristic habit of the plant growing in the wild. (London & Malvern only) | 209 3 close-up photographs of alpine plants, in the wild or in cultivation, in colour or monochrome. (London, Malvern & South-West only) |
| 203 3 colour photographs – as Class 202 | 210 3 monochrome photographs of alpine plants, distinct, in the wild or in cultivation |
| 204 1 colour photograph – as Class 202 | 211 1 monochrome photograph as Class 210 |
| 205 3 colour photographs of alpine plants, distinct, in a garden setting, showing the the characteristic habit of the plant in cultivation | 212 3 digitally enhanced images of alpine plants showing enhancement of single original photographs. Note 5 |
| 206 1 colour photograph – as Class 205 | 213 3 computer manipulated images of alpine plant(s) combining elements from multiple photographs. Note 5 |
| INTERMEDIATE (B) | Open to Amateur AGS Members who have not qualified for the Gold Merit Medal (Art) and who have not won 5 Silver Bars (Art) |
| 230 3 colour photographs of alpine plants, distinct, showing the characteristic habit of the plant growing in the wild | 235 1 colour photograph of an alpine landscape or habitat |
| 231 1 colour photograph – as Class 230 | 236 1 colour photograph of a plant on the show bench |
| 232 3 colour photographs of alpine plants in cultivation, distinct, showing the characteristic habit of the plants | 237 1 computer manipulated image of alpine plant(s) using one or more original photographs. Note 5 |
| 233 1 colour photograph – as Class 232 | 238 3 colour photographs of an alpine plant, as Class 200 (Summer South only) |
| 234 1 monochrome photograph of an alpine plant in the wild or in cultivation | 239 1 close-up photograph of an alpine plant as Class 209 (Summer South only) |
| <ol style="list-style-type: none"> 1. Images printed digitally using a computer, with MINOR adjustments to improve print quality, are allowed in ALL classes. Digital conversion to monochrome is allowed. Photographs will be judged on both technical and artistic qualities including focus and depth of field, exposure, accuracy of colour, and composition. 2. Photographs must have been taken by the exhibitor; processing may be done professionally. 3. Photographs must be mounted and must measure at least 15cm x 10cm excluding mount, and at most 40cm x 30cm including mount. No glass or framing please. 4. The name and address of the exhibitor should appear on the reverse side, the name of the plant and the place where the picture was taken should appear on the front. 5. Computer manipulated images exhibiting MAJOR adjustments should be exhibited in classes 212/213/237. Class 212 is intended for e.g. removal of undesired elements, addition/cloning of flowers, adjustment of backgrounds, and the use of digital filters/effects; class 213 is intended for images combining elements from multiple photographs. Class 237 is intended for images as 212 or 213. Photographs will be judged for artistic effect, including the quality, but not the difficulty, of any manipulation performed. All manipulation carried out should be stated clearly. | |

Artistic Section

Images may only be entered once in the Artistic Section at any given AGS Show (i.e. images which have been exhibited at that Show in previous years are not eligible).

Items which cannot be collected at the end of the show will be returned to the sender as soon as possible. Members desiring assistance transporting entries between shows should contact Jon Evans (jon.evans@agsgroups.org, Tel: 01252 724416).

The Society cannot be responsible for breakage, damage or loss.

The Society may reproduce in the Alpine Gardener any photograph or art work, subject to clearance of any existing copyright.

An Alpine Plant is defined in Rule 14, page 11; details of Merit Medals, page 5; points system, page 10.

PAINTINGS, DRAWINGS AND NEEDLEWORK (Not at Summer South)

OPEN SECTION
